Girl, you better go back in your mind
Try and find yourself a brand new life
I love you but you're toying with me
So if you can't change, go on, let me be

Well, I'm sick of your lies
(Sick of your lies)
Tired of my tears
(Tired of my tears)
Girl, if you want me
Better tell it like it is

Oh when a boy meets a girl he likes
He starts to dream
Before he know it, he's caught buyin' his scheme
Now, I used to believe every word you say
But realize now that was yesterday

Well, I'm sick of your lies
(Sick of your lies)
Tired of my tears
(Tired of my tears)
Girl, if you want me
Better tell it like it is

Well, I'm sick of your lies
(Sick of your lies)
Tired of my tears
(Tired of my tears)
Girl, if you want me
Better tell it like it is

When I'm with you, I lose control
That's why I'm offering you my heart and soul
You better take it now 'cause when it's gone
I won't even answer my telephone

Well, I'm sick of your lies
(Sick of your lies)
Tired of my tears
(Tired of my tears)
Girl, if you want me

Better tell it like it is

Well, I'm sick of your lies

(Sick of your lies)

Tired of my tears

(Tired of my tears)

Girl, if you want me

Better tell it like it is
