First you say you do
And then you don't
And then you say you will
And then you won't

You're undecided now
So what are you gonna do?

Now you want to play
And then it's no
And when you say you'll stay
That's when you go

You're undecided now
So what are you gonna do?

I've been sitting on a fence
And it doesn't make much sense
'Cause you keep me in suspense
And you know it

Then you promise to return
When you don't, I really burn
Well, I guess I'll never learn
And I show it

If you've got a heart
And if you're kind
Then don't keep us apart
Make up your mind

You're undecided now
So what are you gonna do?

I've been sitting on a fence
And it doesn't make much sense
'Cause you keep me in suspense
And you know it

Then you promise to return
When you don't, I really burn
Well, I guess I'll never learn

And I show it

If you've got a heart
And if you're kind
Then don't keep us apart
Make up your mind

You're undecided now
So what are you gonna do?

Now if you don't love me
I wish you'd say so
Our love is so much honey
I'd just got to know

I am just a fool for you
What are you gonna do?
