What Would I Do (Without You)

(Candy and flowers)

For my Valentine

(Minutes and hours)

You stay on my mind

(Romance and love songs)

I'm down on my knees

(Promise me you'll belong)

Oh to only me

But that's just a start

What I'm trying to say

I'd give you my heart

But it's yours anyway

CHORUS:

What would I do without you

To me you're the meaning of

The meaning of love

And I'll always be true

Forever with you

It just isn't long enough

What would I do

Without You

(I love only you)

And nobody else

(With feelings so new)

Like I've never felt

(Come hold my hand)

Aw, get all closer to me

(Cause you understand)

How true love should be

But that's just a start

What I'm trying to say

I'd give you my heart

But it's yours anyway

CHORUS:

What would I do without you

To me you're the meaning of

The meaning of love

And I'll always be true

Forever with you, yeah

It just isn't long enough

What would I do

Without.....

Your kisses and your tender touch

I love you I love you I love you so much

Baby there's something I want you to know

I'm gonna die if you ever go

(guitar solo)

CHORUS:

What would I do without you

To me you're the meaning of

The meaning of love

And I'll always be true

Forever with you

It just isn't long enough

What would I do

Without You

What would I do without you

To me you're the meaning of

The meaning of love

And I'll always be true

Forever with you

Forever's not long enough

What would I do

Without You

What would I do (yeah)
