The other night  
As I lay sleeping  
Whoah, I dreamed I held you  
Held you in my arms  
Well, but when I woke up this morning  
I found out I was mistaken  
Do you know that I hung my  
I hung my head and cried

Whoah you are my sunshine  
(you are my sunshine)  
Ohh, my only sunshine  
(my only sunshine)  
Well, little girl you make me happy sometimes  
(you make me happy)  
When my skies are grey  
(when skies are grey)  
Umm, you'll never never never know dear  
(you'll never know, dear)  
How much I love you  
(how much I love you)  
Whoa, and I don't want you to take  
(don't take my sunshine)  
My sunshine away  
(shine away)

{instrumental interlude}

You told me once, dear,  
That you really loved me  
And no one else  
could ever come between, yeah  
But now you left me and you love another, yeah  
And you have shattered, oh yeah  
All of my dreams

Whoah you are my sunshine  
(you are my sunshine)  
Ohh, my only sunshine  
(my only sunshine)  
Ohh, you make me happy sometimes  
(you make me happy)

When my skies are grey  
(when skies are grey)  
Whoa, you'll never never never know dear  
(you'll never know, dear)  
How much I love you  
(how much I love you)  
Whoa, and I don't want you to take  
(don't take my sunshine)  
Whoa, if you love me  
(don't take my sunshine)  
Umm-hmm, if you need me  
(don't take my sunshine)  
Uh-huh if you want me  
(don't take my sunshine)  
Waaaahh! Listen  
(don't take my sunshine)  
(don't take my sunshine)  
I don't want you to take  
(don't take my sunshine)  
Waaaahh! Listen  
(don't take my sunshine)  
(don't take my sunshine)  
I don't want you to take  
(don't take my sunshine)  
Whoah, my sunshine away  
(shine away)
