He looked down into her blue eyes, and said  
"Say a prayer for me". She  
Threw her arms around him, whispered  
"God will keep us free"  
They could hear the riders comin', He said  
"This is my last fight If they  
Take me back to Texas  
They won't take me back a-live

There were seven Spanish angels  
At the altar of the sun  
They were prayin' for the lovers  
In the valley of the gun  
When the battle stopped and the smoke cleared  
There was thunder from the throne  
And seven spanish angels, took another  
Angel home

She reached down and picked the gun up  
That lay smokin in his hand  
She said, "Father please forgive me  
I can't make it without my man."  
And she knew the gun was empty  
And she knew she couldn't win  
But her final prayer was answered  
When the rifles fired again

There were seven Spanish angels  
At the altar of the sun  
They were prayin' for the lovers  
In the valley of the gun  
When the battle stopped and the smoke cleared  
There was thunder from the throne  
And seven spanish angels, took another  
Angel home

There were seven Spanish angels  
At the altar of the sun  
They were prayin' for the lovers  
In the valley of the gun  
When the battle stopped and the smoke cleared  
There was thunder from the throne

And seven spanish angels, took another  
Angel home
