Yeah, like it or not
Like a ball and a chain.
all I wanna do is get off,
And feel it for a minute, babe.

Hot diggity dog,
I love God all the same.
But all I wanna do is get off
And feel it, feel it, feel it, babe.

Baby, come on, yeah.
If you have a hard time getting there
Maybe, you're gone.
If you find, find yourself against yourself.

Yeah maybe I thought
What I thought I would say.
that all I wanna do is get off
And feel it for a minute
Like a real big thing, again.

I already forgot
Why I thought I was sane
when all I wanna do is get off
And feel it, feel it, feel it babe.

Baby, come on, yeah.
If you have a hard time getting there,
Maybe you're gone.

If you find, find yourself against yourself.

Hey, come on, yeah.
If you have a hard time getting there,
Maybe you're gone
If you find, find yourself against yourself.

And like it or not,
Like a ball and a chain
All I wanna do is get off
And feel for a minute
Like a real big thing, again.

I already forgot
Why I thought I was sane
But all I wanna do is get off
And feel it, feel it, feel it, babe.

Baby, come on, yeah.
If you have a hard time getting there,
Maybe you're gone.
If you find, find yourself against yourself.

Hey, come on, yeah.
If you have a hard time getting there,
Maybe you're gone
If you find, you find yourself against yourself.
