Hey!
Hey well I rise today
I cant seem to find what I want you for
I open my eyes and I wake on the floor
You open the door
Awake on the floor
Cant seem to find what I want you for
Cause latley baby
Oh yeah I'm wasting
Tons of time
Tons of time
Tons of time

Hey!
Hey well I rise today
I cant seem to find what I want you for
I open my eyes and I wake on the floor
You open the door
Awake on the floor
Cant seem to find what I want you for
Cause latley baby
Oh yeah I'm wasting
Tons of time
Tons of time
Tons of time
Two three four
Tons of time
Tons of time
Tons of time
Tons of time
Tons of time
Tons of time
Tons of time
