Oh yeah, Jesus (Oh yeah, Jesus)
You Got me Going (Got Me Going)
And I know just like I know
No way of knowin' (no way of knowin')
I gotta have faith (gotta have faith)
I gotta believe (gotta believe)
That the Lord of Lords and the King of Kings
Come and set me free (come set me free)

Oh yeah, Jesus (Oh yeah, Jesus)
You Got me Going (Got Me Going)

And I know just like I know
No way of knowin' (no way of knowin')
I gotta have faith (gotta have faith)
I gotta believe (gotta believe)
That the Lord of Lords and the King of Kings
Come and set me free (come set me free)
