I got it  
Got it, got it

In me the scientist always stuck on  
Always trying this  
I try to live on science alone  
Analysis and freaky sensitivity  
We gotta live on science alone

Yeah, I am a scientist  
Yeah, I am a scientist  
Yeah, I am a scientist  
We gotta live on science alone

Religiously I'm speaking on the science  
'Cause we've gotta live on science alone  
I tell you what, mathematically, I'm having it  
I want to live on science alone

Yeah, I am a scientist  
Yeah, I am a scientist  
Yeah, I am a scientist  
We gotta live on science alone

In me, the scientist always stuck on  
Always trying this  
I try to live on science alone  
Analysis and freaky sensitivity  
We gotta live on science alone

Yeah, I am a scientist  
Yeah, I am a scientist  
Yeah, I am a scientist  
'Cause I can live on science alone  
We gotta live on science alone

Yeah, I am a scientist  
Yeah, I am a scientist  
Yeah, I am a scientist  
Yeah, I am a scientist  
Yeah, I am a scientist
