All right, let's see if we can do this in one take - take.

I find out too late when I,
I am over it
And each time, dearly escape when I'm (enough said)
Divine, fine

I am over it
I am over it
I am over it
I am over it

I try to keep myself elated
And in my right mind, uh-huh, uh-huh
The one wrong song, telling me I've been here too long
(enough said)
And I'm gone.

I am over it
I am over it
I am over it
I am over it

I find out too late when I,

I am over it
And each time, dearly escape when I'm (enough said)
Divine, fine

I try to keep myself elated
And in my right mind, uh-huh, uh-huh
The one wrong song, telling me I've been here too long
(enough said)
And I'm gone.

I am over it
I am over it
I am over it
I am over it
I am over it
I am over it
I am over it

I am over it
I am over it
I am over it
I am over it
I am over it
