My friends and me we live a lot
We live carefree but if we're not
Oh, we got to be good to our friends
'Cause me and my friends we live a lot

Mis amigos y yo
Na, na, na, na, na
Mis amigos y yo
Na, na, na, na, na

Mis amigos y yo
Na, na, na, na, na
Mis amigos y yo
Na, na, na, na, na

My friends and me we think a lot
We think about me and what I got
I got to be just good to my friends
'Cause me and my friends we think a lot

Mis amigos y yo
Na, na, na, na, na
Mis amigos y yo
Na, na, na, na, na

Mis amigos y yo
Na, na, na, na, na
Mis amigos y yo
Na, na, na, na, na

Mis amigos y yo
Na, na, na, na, na
Mis amigos y yo
Na, na, na, na, na

Mis amigos y yo
Na, na, na, na, na
Mis amigos y yo
Na, na, na, na, na

My friends and me we smoke a lot
We smoke up on weed and then the pot

But we don't like seeds or sticks or stems
'Cause me and my friends we smoke a lot

Mis amigos y yo
Na, na, na, na, na
Mis amigos y yo
Na, na, na, na, na

Mis amigos y yo
Na, na, na, na, na
Mis amigos y yo
Na, na, na, na, na

My friends and me we drink a lot
We drink to me, we drink to Scott
But we'd like to be just good to our friends
'Cause me and my friends we drink a lot

Mis amigos y yo
Na, na, na, na, na
Mis amigos y yo
Na, na, na, na, na

Mis amigos y yo
Na, na, na, na, na
Mis amigos y yo
Na, na, na, na, na

Mis amigos y yo
Na, na, na, na, na
Mis amigos y yo
Na, na, na, na, na

Mis amigos y yo
Na, na, na, na, na
Mis amigos y yo
Na, na, na, na, na
