You want for nothing  
Thats what you decide  
Always on always gone  
Cause you all want nothing  
Thats you inside  
Always good always on  
And you only want nothing  
For yourselves  
Always want the other side  
You could be trying

Its enuf to always try thats a life for you  
Any cause that you wanna do  
What thats all fine  
Except for anything that you do to me

And you want for nothing  
You want for nothing  
Cause you want for nothing  
Nothing
