I love you so
And that's all I know
I love you
And that's all
That I know

I bruise you
You bruise me
We both bruise
Too easily
Too easily
To let it show
I love you
And that's all I know

All my plans
Have fallen through
All my plans
Depend on you
Depend on you
To help them grow
I love you
And that's
All I know

When the singer's gone
Let the song go on

It's a fine line between
The darkness and the dawn
They say
In the darkest night
There's a light beyond

But the ending
Always comes at last
Endings
Always come too fast
They come too fast
But they pass too slow
I love you
And that's all I know

I love you so
And that's all I know
I love you
And that's
All that I know
