Oh, I found my April dream
In Portugal with you
When we discovered romance
Like I never knew
My head was in the clouds
My heart went crazy too
And madly I said
"I love you"

Too soon I heard you say:
"This dream is for a day"
That's Portugal
And love in April
And when the showers fell
Those tears I know so well
They told me
It was spring fooling me

I found my April dream
In Portugal with you
When we discovered romance
Like I never knew
Then morning brought the rain
And now my dream is through
But still my heart says
"I love you"

Da-da, da-da-da-da

Then morning brought the rain
And now my dream is through
But still my heart says
"I love you"

But still my heart
Says "I love you."

Da-da
