"Moonlight Serenade"

Stars are aglow and tonight how their light sets me
dreaming,
My love, do you know that your eyes are like stars
brightly beaming?
I bring you and sing you
A moonlight serenade.

Let us stray till break of day
In love's valley of dreams,
You and i, a summer sky,
A heavenly breeze kisses the trees.

So don't let me wait, come to me tenderly in the june
light.
I stand at your gate and I sing you a song in the
moonlight,
A love song, my darling,
A moonlight serenade.

We can stay till break of day
In love's valley of dreams,
You and i, a summer sky,
A heavenly breeze kisses the trees.

So don't let me wait, come to me tenderly in the june
light.
I stand at your gate and I sing you a song in the
moonlight,
A love song, my darling,
A moonlight serenade.
