(Ray J)

Girl i understand if you say no  
Cause once we started who knows where we'll go  
On the floor to the spot we aint even gotta stop  
But your hot imma make you dance  
On the floor to the pole baby either way it goes  
On the pole imma make you dance  
On the floor to the spot we aint even gotta stop  
But your hot imma make you dance  
In the middle of the night we be turning of the lights  
Then 1 thing leads to another  
1 thing leads to another (6x)

Dont look back once we blast off lets go  
Cause once we get there were so out of control  
On the floor to the spot we aint even gotta stop  
But your hot imma make you dance  
In the middle of the night we be turning of the lights  
Then 1 thing leads to another  
1 thing leads to another (9x)

Baby come follow my lead  
I'm takin off everything  
And since i see you undress  
Dress me ill handle the rest  
We goin in under the deck  
Your bodys under attack  
?

1 thing leads to  
1 thing (3x)  
1 leads to  
1 thing (3x)  
1 leads to  
1 thing (3x)  
1 leads to  
1 thing (3x)  
Leads to another

(Pitbull)  
If it aint one thing its always another  
Word to abuela papi my mother  
Thats why 1 thing always leads to another  
Mamita im raw like no rubber  
Like no other now take cover  
Little weapon with no cover  
I wanna be your friend and your lover

1 thing leads to another (Repeat)  
(Till it ends)
