she got a one track mind  
by day, all night  
she just wanna make love to me  
she tells me all the time and that's all alright  
because i like how she ride with me  
Calls when she wakes,gives you space in your day  
Might send a quick message, just to make sure im okay  
And thats all real she cares how i feel  
I Ain't mad at someday that loves me  
Soo...imma keep you  
I get stress out when every body else shows (shows)  
i need you through the stress in habit get it, like the  
way you do me

i like knowing the way how she feels about me  
Thats why? shes wifey  
i love that she keeps it one hundred  
one hundred ( x2 )  
i love that she keeps it one hundred

shes out shoppin' in london  
i trust her, i dont worry about nothin'  
She keep it  
one hundred ( x2 )  
i love that she keep it one hundred

Its not just physical play  
real talk everyday  
We can have fun  
laying up at my place  
When she dress up she got excellent taste  
i love it when she take down, down to the lace  
Louy Vitton on her feet  
Rare breed on her leash  
My girl only wears gucci when she sleeps

she aint the only one keepin it real

I get stress out when every body else shows (shows)  
i need you-ou-ou through the stress in habit get it, like
