Knockout, darkchild
Let's go

[Verse 1]

Isn't feelings hopes and wishing
How many of them we shared
How many of them we dared
Do show you grow
Promise not to let it go
Now look what we become
It's over now
And I don't even get it (no)
How a love like ours could fall apart
1 minute
I'm sleepin in a happy home
The next minute
I'm walkin out an open door
(and I'm) driving down the midway
Swerving the car
Tryna get myself together
(hey) hopin I don't cry
Want it to get better
But still it's gettin worst
Oh I never thought I'd ever feel this hurt

And now it's all I feel
It's all I feel
So I'm hopin like hell that it ain't for real
Said it's all I feel
It's all I feel
Wishing that it ain't
But I know that it is

2 days ago I felt like a star
2 hours ago I just lost my heart
And now it's all I feel
It's all I feel
It's all I feel
It's all I feel

[Verse 2]

Now I remember when I first knew ya

And I was all that you had in mind
Did I ever mean anything through ya
Or was it just something you did to past the time
Cause now you won't (hear me out)
And you ain't even tryna work it out
But I ain't going back
And even though I'm scared
I got too much pride
So I'm in my ride
Driving down the free way
Swerving the car
Tryna get myself together (baby)
Hoping I don't cry
I want it to get better
But still it's gettin worst
Oh I never thought I'd ever feel this hurt
Now it's over

And now it's all I feel
It's all I feel
So I'm hopin like hell that it ain't for real
Said it's all I feel (all I feel)
It's all I feel
Wishing that it ain't
But I know that it is

2 days ago I felt like a star
2 hours ago I just lost my heart
And now it's all I feel
It's all I feel
It's all I feel
It's all I feel

What u gonna do when you miss my love
I guarantee that you gonna miss my love
I thought what we had was real
Now the pain is all I feel (whoa... ooo)

What u gonna do when you miss my love
I guarantee that you gonna miss my love
I thought what we shared was real
Now the pain is all I feel

So I'm driving
Driving down the freeway
Swerving the car
Tryna get myself together
Hopin I don't cry
Want it to get better (I want it baby)
But still it's gettin worst (but it's not gettin better)
Oh I never thought that I ever feel this hurt

And all I feel
And now it's all I feel (I feel it baby)
It's all I feel (I feel it baby)
I'm tryin not to cry (baby)
Said it's all I feel (oh)
It's all I feel
Do you feel it to babe
Am I the only one that feels this way

2 days ago I felt like a star
2 hours ago I just lost my heart
Now it's all I feel
It's all I feel
It's all I feel
It's all I feel
Now it's all I feel
