Yeah, creep with me, come on
Take you on a mission
Yeah, I know it's crazy
Let me talk to you about some deep shit

I met your girl, I text your girl
I sexed your girl and she loved it
We share affection, special connection
And no matter how you feel she's gonna do as she will

She said she needs you, she'll never leave you
You can sleep better now that you know it
And I'm not here to take your position
She just needs to be rubbed a little different

Is that your wife?
(Huh)
Is that your shawty?
(Huh)
So that's your wife?
(That's my wife)
Well, I'm her boyfriend

Is that your wife?
(Huh)
I that your shawty?
(Shawty)
So that's your wife?
Well, I'm her boyfriend
(Boyfriend)

I think the problem is, you don't beat it right
Makin' love is cool, just pull her hair sometimes
She wants to feel like a lover, not a touch from a
brother
She wanna wake up body achin', not fall asleep
frustrated

She said she loves it home, it's just somethin' sexy
'bout me
Though all the haters so, what you expect from shawty
Remember when you're gone away that she'll always

be safe with me

Is that your wife?

(Huh)

Is that your shawty?

(Huh)

So that's your wife?

(That's my wife)

Well, I'm her boyfriend

Is that your wife?

(Huh)

I that your shawty?

(Shawty)

So that's your wife?

Well, I'm her boyfriend

(Boyfriend)

She really loves you, she says it all the time

She really wants to be with you until she dies

I'm just a side, temporary desire

You keep her employed, I'll be her boy toy

Is that your wife?

(Huh)

Is that your shawty?

(Huh)

So that's your wife?

(That's my wife)

Well, I'm her boyfriend

Is that your wife?

(Huh)

I that your shawty?

(Shawty)

So that's your wife?

Well, I'm her boyfriend

(Boyfriend)
