Can I fall in love with you  
Can you fall in love with me  
Can we fall in love

Everyday I wanna see your preety face  
Everyday I wanna feel your warm embrace  
Especially when the skies are grey

I wanna know that our love is so strong  
Even when it's tough we'll hold on  
I'll be there when the storm is all gone, for you

Can we fall in love  
Can we fall in love  
Can we fall in love  
Screaming oooohhh (ohhh)  
Screaming oooohhh (ohhh)

Can I fall in love with you  
Can you fall in love with me  
Can we fall in love  
Yeahh ohh yeah

Everyday I wanna see your preety face  
Everyday I wanna feel your warm embrace  
Especially when the skies are grey

I wanna know that my girl is so strong  
Even when it's tough we'll hold on.  
I'll be there when the storm is all gone, with you  
Can we fall in love  
I wanna know can we start a family together  
I wanna know if this love can last forever  
Screaming oooohhh (ohhh)  
Screaming oooohhh (ohhh)

I fell in love before  
Don't wanna get hurt no more

Can I fall in love with you  
Can you fall in love with me  
Can we fall in love together
