Can't run, you, you, you
No, no, can't hide, can't hide
You can't run, you can't hide
Can't run, can't hide
You can't get away

I often wonder who you know
What you thinkin', where'd you go, baby?
I know I didn't told you more than twice
In your life you can't keep runnin' away
You can't keep hidin' from yo' man, it's all right

You got me thinkin', thinkin'
I don't really feel the same
You should be thinkin', thinkin'
Loosin' you'd be a shame
So baby, baby, come around
Can we talk at least before the sun goes down, baby?

Can't run, can't hide
You know you can't get away
Can't eat, can't sleep
Till ya know you got your lovin' today
You can't hide what your feelin'
When you're dealin' with my love

I often wonder, what you say
When I'm not around but I'm hear to stay, baby
I've paid the time, I've paid my dues
And now it's 'bout time that we had some rules , baby

Stop hidin' from me, ignorin'
The situation at hand
Let's stop pretending, you hear me
Let a man be a man
So baby, baby, come around, oh
'Cause we can work it out 'fore the sun goes down,
whoa yeah

Can't run, can't hide
You know you can't get away
Can't eat, can't sleep

Till ya know you got your lovin' today
You can't hide what your feelin'
When you're dealin' with my love
I'm watchin' you, I'm watchin' you, baby

Can't run, can't hide
You know you can't get away
Can't eat, can't sleep
Till ya know you got your lovin' today
You can't hide what your feelin'
When you're dealin' with my love

When there's no where to run, baby, you can't stop my
love
When there's no where to hide, hide
When there's no where to run, baby, you can't stop my
love
When there's no where to hide, hide

Can't run, can't hide
You know you can't get away
Can't eat, can't sleep
Till ya know you got your lovin' today
You can't hide what your feelin'
When you're dealin' with my love

Can't run, can't hide
You know you can't get away
Can't eat, can't sleep
Till ya know you got your lovin' today
You can't hide what your feelin'
When you're dealin' with my love

When there's no where to run, baby, you can't stop my
love
When there's no where to hide, hide
You can't hide what your feelin'
When you're dealin' with my love
You can't hide
