Chorus

Its a celebration pop pop bottles
do it big like the movie, thats the motto
number one spot so the haters just follow
and everytime my hands go up, i'm hearin' a
round of applause, hearin' a round of applause
hearin a round of applause, hearin' a
clap clap, snap snap, encore bravo
baby make a wish up on these flashing lights
it'll make it all come true tonight

Verse 1

twelve in the mornin', hauntin' this club
because they saw the ghost and the phantom pull up
and ladies if you single, we in the vip
i'm buying out the bar, baby drinks on me
now they screamin (hello hello)
tryna get physical, but we we tryna see how low can you
go(hello hello)
mama say no mo, your body just said it all (ohhhh)
and my glass is raised, make a toast to gettin' money
(ohhhh)
this is how we play, now its time to celebrate

Chorus

Its a celebration pop pop bottles
do it big like the movie, thats the motto
number one spot so the haters just follow
and everytime my hands go up, i'm hearin' a
round of applause, hearin' a round of applause
hearin a round of applause, hearin' a
clap clap, snap snap, encore bravo

Verse 2

Right about now we all leavin'
shawty said its a go with no breakin'
tryna tryna take a pic with her phone
i said slow down she said baby i'm grown
now she sayin (hello hello) she workin me like a pro
booty clap clappin bravo, now she sayin (hello hello)
then we hit the front door, now she singing like she on
tour(ohhhh)

and my glass is raised, make a toast to gettin' money
(ohhhh)
this is how we play, now its time to celebrate

Chorus

Its a celebration pop pop bottles
do it big like the movie, thats the motto
number one spot so the haters just follow
and everytime my hands go up, i'm hearin' a
round of applause, hearin' a round of applause
hearin a round of applause, hearin' a
clap clap, snap snap, encore bravo
baby make a wish up on these flashing lights
it'll make it all come true tonight

Verse 3

(owww) Luda, heads up, money out the a-hole
lookin' like I got mother nature on the pay role (ahhh)
it stay rainin' but luda keep shinin'
cus me and shak zu went half and bought a island
(ohhh)
chris cut half a milli for the watch
whippin hunnit foot yachts up to fitty five knots(ok)
ten years been payin my dues hoes
get it right, paper long as penelope cruz'
nose(woooooo)
ten and a half alligator boots
and tailor-made water repellent cashmere suits(ahhh)
he so booji all in the jacuzzi
such a virgo and thats why he so chosey
i like her but i'm diggin' you too
yall can do me like a wishbone and break me in
two(haha)
come one and come all at a time
cus my bottle service look like an assembly line(ray)
