Yo, everywhere I go, you screamin' R J
I don't know if they talkin' bout Ray J or me
Darkchild, F J, [Incomprehensible], Ray J
[Incomprehensible], you heard that? Let's go, come on

Baby, you don't know about me
'Coz if you did you wouldn't be
Acting, like you are too good for me

When everybody knows my name
An everybody's callin' you, crazy
Stop and think where you need to be

Girl, why do you say you don't want me?
When you know you do, you frontin'
When you know you wanna make your move
Stop playin' and do, baby, anything you want with me

It's crazy, 'coz everywhere I go
They're screaming Ray J
Baby, just in case you didn't know
You know that once you been with me
You never wanna leave

Its crazy, every shorty wants to be my baby
And baby, just in case you didn't know
You know that once you been with me
You never wanna leave

If I change my mind about you
Guaranteed there's one thing that I won't do
That's give a second chance to you

So if you're really checkin' for me
The time is now for you and I
To be together doin' things my way

Girl, why do you say that you don't want me?
When you know you do, you frontin'
When you know you wanna make your move
Stop playin' and do, anything that you want to me, baby

It's crazy, 'coz everywhere I go
They're screaming Ray J
Baby, just in case you didn't know
You know that once you been with me
You never wanna leave

It's crazy, every shorty wants to be my baby
Baby, just in case you didn't know
You know that once you been with me
You never wanna leave

Girl, if you could have this chance
You should come and take my hand
And stop the games, 'coz I know the right things to do

Show you how our love could be
If you just believe in me
You'll see that I'm the one for you

It's crazy, 'coz everywhere I go
They're screaming Ray J
And baby, just in case you didn't know
You know that once you been with me
You never wanna leave

It's crazy, every shorty wants to be my baby
Baby, just in case you didn't know
You know that once you been with me
You never wanna leave

It's crazy, 'coz everywhere I go
They're screaming Ray J
And baby, just in case you didn't know
You know that once you been with me
You never wanna leave

It's crazy, every shorty wants to be my baby
And baby, just in case you didn't know
You know that once you been with me
You never wanna leave

If you feel me and you're thinkin' that I'm hot, say hot
And if you really diggin' what I'm doin', don't say stop
Stop tryin' to make me feel that we can reach the top
Baby, you're gon' let me know if we can make it hot

If you feel me and you're thinkin' that I'm hot, say hot
And if you really diggin' what I'm doin', don't say stop
Stop tryin' to make me feel that we can reach the top
Baby, you're gon' let me know if we can make it hot

It's crazy, 'coz everywhere I go
They're screaming Ray J
Baby, just in case you didn't know
You know that once you been with me
You never wanna leave

It's crazy, every shorty wants to be my baby
And baby, just in case you didn't know
You know that once you been with me
You never wanna leave

It's crazy, 'coz everywhere I go
They're screaming Ray J
Baby, just in case you didn't know
You know that once you been with me
You never wanna leave

It's crazy, every shorty wants to be my baby
And baby, just in case you didn't know
You know that once you been with me
You never wanna leave
