Is it my turn to wish you were lying here
I tend to dream of you when i'm not sleeping
Is it my turn to fictionalize my world
or even imagine your emtions to tell my self anything
Is it my turn to hold by your hands
Tell you i love and you not hear me
Is it my turn to totaly understand
To watch you walk out out of my life and not do a damn
thing?

CHORUS:

If i have to give away the feeling that i feel
if i have to sacrifce
Oh whatever baby whatever baby
if i have to take apart all that i am
Is there anything that i would not do
'cause I'd die without you

OHH i apologize for all the things I've one
but now I'm under water and I'm drowing
Is it my trun to be the one to cry?
Isnt it amazing how some things just completely turn
around
SO take every little piece of my heart
So take every little piece of my soul
So take every little piece of my mind
'Cause if your gone.....I'd die without you
