-Intro-

Uh uh

Yeah Yeah

Darkchild, Ray J

Yeah Yeah

-1-

[Ray J]

Girl, you had everything

But you played around

Now look at you you'Äre hurting

Cause you lost the only thing that made you happy

Now you really do regret it 'cause you're struggling

And now you wanna run back to me, baby

-Bridge-

[Ray J]

Cause I can love you (yes i can)

But now we are through

You made me change all the feelings i had for you

You wouldn't change you

You could have love so true

But you'Äre the same and that'Äs why i'Äm so cold  
baby

-Chorus-

[Ray J]

Baby, you couldve had everything (you everything)

But you had to play with me (but you had to play with  
me)

Now you want to me back in my life (back in my life,  
baby)

You dont have to play with me (yeah, yeah)

Tryin you to make believe (make believe)

Cause you know I don't need you in my life

-2-

[Ray J]

You thought you had me

Cause everyday I told you just what I was feeling

So instead of you growing closer to me

See you flipped it all and took advantage of me  
But now it's all caught up to you, baby

-Bridge- 1x

-Chorus- 2x

-Bridge2- 2x

[Syn. Voice]

I betcha regret it dontcha

Shouldnt have tried to play me butcha

Read it from the script you tripped

You wish you were with me now

-Chorus- 4x

-Chorus over Bridge2- 3x
