Hey, who is that
Better calm down around here
Hey girl, whatever you want, I got
Hey yeah

(Everything)
Everything you want from me
(I want)
I'm gonna give it all to you

Baby if you please
Tell me your desires of your heart
(Your heart)
One thing I can see
You're in need of lovin'

I can give it to you
(Hey, hey)
Don't lower your expectations so you can say
That you're just someone in love

Baby, 'cuz in my estimation
You should get all that
You want and it's my pleasure
Just to give it to you

Everything you that you want from me
(From me now baby)
I'm gonna give it all to you
(Hey, hey)
Everything you that you want me to be
(Me to be)
I'm gonna be there just for you

Girl, it's a possibility
That you've been lonely for too long
(Too long)
Well I've got remedy for your frustration

In the words of this song, this song baby
Come closer my love, I'm already near
To keep you satisfied, it's me that you need

You can get it all from me, you don't have to worry
'Cuz I'm gonna give it to you

Everything you that you want from me
(From me now baby)
I'm gonna give it all to you
(Hey, hey)
Everything you that you want me to be
(Me to be)
I'm gonna be there just for you

Everything that you want from me
(I'm gonna give it baby)
I'm gonna give it all to you
(To you)
Everything you want me to be
(Oh yeah)

I'm gonna be there just for you
(For you)
Everything that you want from me
(Just want to know about my love)

I'm gonna give it all to you
(Baby can't you see whatever you want me to be)
Everything you want me to be
(Want me baby)
I'm gonna be there just for you

Ha, ah, whoa, whoa
Everything, everything

The love you deserve
(Yeah)
All you want in life
(Want in life, baby)
You are the one, only in my eyes
And that's enough for me to say, baby

Everything you that you want from me
(From me now baby)
I'm gonna give it all to you
(Hey, hey)
Everything you that you want me to be
(Me to be)
I'm gonna be there just for you

Everything you that you want from me
(From me now baby)
I'm gonna give it all to you
(Hey, hey)

Everything you that you want me to be
(Me to be)
I'm gonna be there just for you

Everything you that you want from me
(From me now baby)
I'm gonna give it all to you
(Hey, hey)
Everything you that you want me to be
(Me to be)
I'm gonna be there just for you
