Man These Girls Are So Ready, To Do What I Say

Imma Break Them All Down, And Give Them All  
Nicknames

Imma Start With The Chick With The Tattoo On Her Face

I Named Her Danger Because She Might Shoot Up The  
Place

She Got A Body Like A Goddess, And Shes From The  
Bay, And She Kind Of Steals My Heart With The Picture  
She Paints, Maybe....

This Next Lady, I Named Her Caviar Because Her Body  
Looked Tasty, Russian Accent, Her Face Was  
Amazing, But Never Understand A Word She Be Sayin...

Im Rolling In My Lambo, Looking For My Wifey, Named  
This Girl Hot CoCoa So I Could Be Her Ice T...

Another Girl In The House She Really Likes Me, She  
Crazy But Sexy So I Named The Chick Fiesty...

I Named This Other Girl Stacks, And This Other Girl  
Genuine, Im Trying To Be A Gentleman, Trying To Get  
Through With All These Women That Im Living With,  
First Time I've Ever Saw A Human Banana Split (DAMN)

I Named That Girl Chardonnay, Shawty From The A,  
Sipping Wine All Day...

I Named This Other Girl Stilts, Because She So Much  
Taller Than Me...

I Got This Other Girl She Makes A Good Drink, So I  
Named Her Cocktail, Shes So Sexy....

I Called This Other Girl Unique, She Swear She Classy  
But I Think Shes A Freak, I Know She Wants To Dirty Up  
My Matress....

Then I Meet Another Girl Thats so Attractive, I Name  
Her Naturalle But Theirs Someting I Have To Ask, Is She  
Here For Love Or Is She Here To Be A Actress...

I Duno....

This Girl Atomic Bomb Is Hot, But Shes Moving To Slow,  
BabyGirl Is From Brooklyn But Shes Shy On Her Show,  
She Better Step It Up Or She Gotta Go...

Two More Ladies, I Named This Girl Lil'Hood Because  
Her Attidude Is Crazy, White Girl Blonde Hair Thinks  
Shes From The Ghetto, Hopping Out That Pretty  
Mother.....Like Hello

Then I Named This Girl Cashmere, Because Shes So  
Soft And Mellow
