Feels like I've got a little bit of heaven in my bed right now
And I'm so high
You got me buzzin' off your lovin' and I can't calm down

Your lips swish sweet
My hands all for you, feel I can throw you in my sheets
Baby if I couldn't be up in it for a week
I don't mean to slip, I echo echo until you say stop

Feels like we making magic here
Abracadabra, fin to make them panties disappear
Tonight Vicky's going down, down
'Bout to lay you on the ground, ground, ground

Let me show you what it feels like
To have a little bit of heaven in my bed right now
And I'm so high
You got me buzzin' off your lovin' and I can't calm down

Pull your back up, make you feel so, let your body go
Tryna close your eyes and open now
Let me show you what it feels like
To have a little bit of heaven in my bed right now

You're gonna spread your wings
Thought we won't climb out while I take you to ecstasy
I'mma energize you baby, then put your body to sleep
I don't need no sleepin' before we go for those titties

Hey doll, feels like we making magic here
Abracadabra, fin to make them panties disappear
Tonight Vicky's going down, down
'Bout to lay you on the ground, ground, ground

Let me show you what it feels like
To have a little bit of heaven in my bed right now
And I'm so high
You got me buzzin' off your lovin' and I can't calm

down

Pull your back up, make you feel so, let your body go
Tryna close your eyes and open now
Let me show you what it feels like
To have a little bit of heaven in my bed right now
