So high...  
So high..  
Girl let me say that  
I like everything that you do  
Can't hide from the feeling  
That I get when I get next to you  
Girl for me the only thing on my mind  
Is to know that you're for real  
And when I imagine your pretty smile  
It only confirms what I feel  
And I am  
(Chorus)  
High on you  
So high on you  
And I can only hope that you feel it too  
I'm high on you  
So high on you  
Tell me you feel it too  
Now this might sound crazy  
But I dream about you all the time (all the time)  
Cuz you are my baby  
Cuz u are my my baby  
And to me you're a perfect sunshine, yeah  
Girl I cherish the moments alone with you  
And the loveliness of your embrace  
And when I imagine your pretty smile  
It only takes my breath away  
(Chorus)  
Bridge:  
So high on you baby  
So high on you girl  
Let me show you baby  
And I'll give you the world  
I'm high on you so high on you  
Tell me you feel it too
