Yeah, DJ Clue  
[Incomprehensible] they're the storm  
C'mon

Lemme breathe everything  
Ice he sees, diamond rings  
Whatever you want, I got it all  
But I gotta let you know

I always watch out for those  
Triflin' friends tryna play the role  
Next to me, it'll never be  
So I wanna let you know

Never see me out with no amateurs  
We only need to see yours and managers  
The ice bright from Southern Cali Canada  
But you hate us out here, I gots to damage ya

Ya pissed 'cuz I'm on a speed boat in Maowi hangin'  
I be six four hoppin' out in Cali swangin'  
But it's hard to find me though I stay deep with a team  
That's grimy yo, you ain't know

Ayo, everything we droppin' be like fire  
Something you can feel  
Keep, keep on, keep, keep on, keep, keep on

Ayo, everything we droppin' be like fire  
And it's, oh, so real  
Keep, keep on, keep, keep on, keep, keep on

Lemme breathe everything  
Ice he sees, diamond rings  
Whatever you want, I got it all  
But I gotta let you know

I always watch out for those  
Triflin' friends tryna play the role  
Next to me, it'll never be  
So I wanna let you know

Yo, my neck chunky, 6 pac freezin'  
Way below zero, it's winter season  
Ray J, 19, ballin' outta the region  
Now my motto is 'Get them meals fuck them G's'

I felt like I just had to tell you this  
Man, I got more sounds in my trunk than elephants  
Yeah, this rap thang, it ain't half my elements  
You wanna be down, well baby, you betta ghetto shit,  
feel me

Ayo, everything we droppin' be like fire  
Something you can feel  
Keep, keep on, keep, keep on, keep, keep on

Ayo, everything we droppin' be like fire  
And it's, oh, so real  
Keep, keep on, keep, keep on, keep, keep on

Ayo, everything we droppin' be like fire  
Something you can feel  
Keep, keep on, keep, keep on, keep, keep on

Ayo, everything we droppin' be like fire  
And it's, oh, so real  
Keep, keep on, keep, keep on, keep, keep on

Lemme breathe everything  
Ice he sees, diamond rings  
Whatever you want, I got it all  
But I gotta let you know

I always watch out for those  
Triflin' friends tryna play the role  
Next to me, it'll never be  
So I wanna let you know

Lemme breathe everything  
Ice he sees, diamond rings  
Whatever you want, I got it all  
But I gotta let you know

I always watch out for those  
Triflin' friends tryna play the role  
Next to me, it'll never be  
So I wanna let you know

This is for my niggas that's makin' figures  
This ain't for no haters, we got too much riches  
This is for my ladies an' all your chickens  
Just keep on makin' paper, let's get these millions

This is for my niggas that's makin' figures  
This ain't for no haters, we got too much riches  
This is for my ladies an' all your chickens  
Just keep on makin' paper, let's get these millions
