### "I Like To Trick"

{All five models swallow... uh... knockout!... uh... yea...  
sexy... uh yea}

I see some ladies on the track (they sexy)  
I put them ladies on they back (don't test me)  
I double up {up} right before they sex me  
And when I lick the ladies, it gets messy

I like to trick trick trick  
I like to trick {trick} trick  
I wanna spend some money, spend some money  
I like to trick, I like to trick

Yea,  
I be trickin on them hoes, trickin on them hoes  
Shoppin at the mall  
I buy'em all these clothes  
We hit the club v.l.p. {5 bottles, 5 models}  
(All five models swallow)  
We leave the club (club)  
And end up in my bedroom, bedroom, bedroom  
I be trickin on them hoes  
Both about a paper  
So after we fuck {see you later alligator}

I see some ladies on the track (they sexy)  
I put them ladies on they back (don't test me)  
I double up {up} right before they sex me  
And when I lick the ladies, it gets messy

I like to trick trick trick  
I like to trick {trick} trick  
I wanna spend some money, spend some money  
I like to trick, I like to trick

Aye!  
Strippers on the pole, strippers on the pole  
Aye, {now} aye, aye, aye {now} aye, aye, aye  
Twenty-five dollar lapdaanceess all night  
Aye, aye, aye {all night} aye, aye

The way she do that dance (aye) the way she do that  
dance (aye)  
She make her pus-sy pop (aye) buldging up my pants  
(aye)  
Get yah umberella (aye, aye, aye) umberella (aye, aye,  
aye)  
{Why?} cause I'm about to make it rain

I see some ladies on the track (they sexy)  
I put them ladies on they back (don't test me)  
I double up {up} right before they sex me  
And when I lick the ladies, it gets messy

I like to trick trick trick  
I like to trick {trick} trick  
I wanna spend some money, spend some money  
I like to trick, I like to trick

I see some ladies on the track (they sexy)  
I put them ladies on they back (don't test me)  
I double up {up} right before they sex me  
And when I lick the ladies, it gets messy

I like to trick trick trick  
I like to trick {trick} trick  
I wanna spend some money, spend some money  
I like to trick, I like to trick
