take a good look and look what you see,  
day after day and night after week  
see people dyin, innocently, it mite happen to b one of  
ur family  
now u stuck in the streets and u cant eat or sleep  
n wen it seems like ur fallin, get back on your feet yeee

gotta pick up the pieces, put ya life back together

send me sum luvn, take away all my pain  
bring me sum fortune, just enuff to maintain  
im lost on a mission, show me the way  
im stuck in the system, so all i can do is pray  
i pray, it'll b okay, it'll b okay, it'll b okay, it'll b okay  
but IT AINT OKAY nowww, i just wanna take a break  
now,  
dont put me in water i'll drown, i try to stay up but im  
downn

focus on life and wut it rele means  
hold ur family and friends and wuts ur hopes and ur  
dreams  
is it worth all the pain, going through all these things  
wen thers nuthin to gain but u hav ur whole life to lead  
wen they say u cant make it u gotta prove them wrong

'cause they always keep hatin thats why im singin this  
song

gotta pick up the pieces, put ya life back together

send me sum luvn, take away all my pain  
bring me sum fortune, just enuff to maintain  
im lost on a mission, show me the way  
im stuck in the system, so all i can do is pray  
i pray, it'll b okay, it'll b okay, it'll b okay, it'll b okay  
but IT AINT OKAY nowww, i just wanna take a break  
now,  
dont put me in water i'll drown, i try to stay up but im  
downn

whoaaa lord ur hearin me call ur name, my mind feels

like its insane  
and my lifes going down the drain  
whoaaa lord ur hearin me call ur name, my mind feels  
like its insane  
and my lifes going down the drain

chorus till end
