Can I undertsand?
Can I undertsand?
Can I undertsand?
Oh no I can't

I know so much it's gon on between me and you
Baby, oh yeah,
So block my feelings, put on my side
So you can have your way
Same seven digit round around
And stay now so late
But I aint gon sweat you
Cause you know that I'm crazy
What am I supposed to do without you baby
What am I supposed to do and you're gone
So I gotta let you know that I'm gone, I'm gone

Wow, I can understand
But it's cool you don't lost my love
I dont wanna know you baby, no more
I dont wanna know, wow
I can understand
But it's cool you don't lost my love

I dont wanna know you (no more)
Or hold you (no more)
Or see you (no more)
You must not know who I am
If you really think that I give a damn
Just wanna see you gone
With someone else do your own things
Just leave me alone
How could you ever think that I
Would have a blind heart
You aint that smart, so as far as you go
Baby, gotta let you know that I

Wow, I can understand
But it's cool you don't lost my love
I dont wanna know you baby, no more
I dont wanna know, wow

I can understand
But it's cool you don't lost my love

I dont really want you, no more
I dont really want you, so long so long
I dont really want you, I dont need you
I dont really want you, I dont love you
I dont really want you, no more
Please dont call me anymore
Ray J dont love ya
Ray J dont need ya
Dont wanna see your name on my call ID

Wow, I can understand
But it's cool you don't lost my love
I dont wanna know you baby, no more
I dont wanna know, wow
I can understand
But it's cool you don't lost my love
