I know
We ain't talked
In a while
Give me a minute
I've got somethin'
On my chest
To get off I need u
To listen, Lord
It got me trippin, Lord
I'm even sippin, Lord
Can't get it off my mind
Can't even sleep at night
I tried to talk to mama
All my friends
And my pastor
No one gave
Any good advice
So I'm gettin at ya
Because I'm so confused
I don't know what to do
Like comparin'
A Bentley to a Honda
Can't compare the two

I don't know how
It got like this
But I know
That it's serious
Choosin'
Who to be with
Leaving me sleepless
Oh can u help me
Better yet
Tell me, girl

Chorus:
One girl is my jump off
One girl is my wife
I done fell in love
With both
And I can't decide
So tell me what to do

Cause I don't know
Which one to choose
I just don't know

I was scared
I was fallin' too deep
Off with my pimpin'
If I kept on playin'
Russian roulette
With all
Of these women
Like I guess
I broke a rule
Cause I ain't play it cool
But that ain't no excuse
Cause that's just what I do
Or either
That u were tryna
Teach me a lesson
To appreciate what I got
Or recognize the blessin
And so I see it now
And plus I'm bleedin now
For u to show me a sign
And help me figure out

(Chorus)

I'm
In the worst situation
I mean I love my wife
But I'm in love
With my jump off, too

(Chorus)
