I see you walking with your head down girl
Come here, lemme lift your spirits up, aight
I got something on my mind I wanna tell you
Girl, when you down and when you out, you feeling low
Keep your head up baby

Girl, I can see, you've been going through some things
Walking head down, 'cause you feel so much pain
Blaming yourself, when it ain't even that way
Girl, why can't you see that it's time for a change

It's why I'm talking to you, I wanna show the way
You don't have to, go through this one more day
If you take control, you dunno how far you go
Girl, listen to me, I'm telling you good things

Don't you understand me, I'm talking from my heart
right now
Start doing things the right way, please do it that way
No matter what the world say, keep on doing your
things
Sometimes it won't be easy but girl I got a message for
you

Keep your head up to the sky and I promise you
Promise you'll get by, baby girl believe me
I know you're going through hard times but you don't
have to cry
Just keep your head up high

Keep your head up to the sky and I promise you
Promise you'll get by, baby girl believe me
And when you're going through hard times, you don't
have to cry
Just keep your head up high

I know it's hard, to raise a kid on your own
I know it takes two, you didn't make alone
But his daddy's gone and we know daddy's dead
wrong
But you gotta keep, making those ends meet, yes, you
do

And girl, I know, you can do it by yourself
Even though sometimes you feel like screaming for
help
It won't be long 'til the hurt is gone
Girl, I'm telling you, see I know what to do baby

If you wanna treat me, I'm singing this for you
Start doing things the right way
Even though sometimes won't treat you good
No matter what the world say, keep on doing your
things
Sometimes it won't be easy but I'm telling you this is
what you gotta do

Keep your head up to the sky
Promise you'll get by, baby girl believe me
I know you're going through hard times you don't have
to cry
Just keep your head up high

Keep your head up to the sky
Promise you'll get by, baby girl believe me
And when you're going through hard times, you don't
have to cry
Just keep your head up high

I know you're buggin', 'cause you're struggling
Baby girl you can't make even your own
You're so deserving, some good loving
Baby first you gotta keep to the storm

[Incomprehensible]
That you'll see that a star is born
So come on with me when I say things
Like you just gotta keep on doing your

Keep your head up to the sky
Promise you'll get by, baby girl believe me
I know you're going through hard times you don't have
to cry
Just keep your head up high

Keep your head up to the sky
Promise you'll get by, baby girl believe me
And when you're going through hard times, you don't
have to cry
Just keep your head up high

Keep your head up to the sky
Promise you'll get by, baby girl believe me

And when you're going through hard times, you don't
have to cry
Just keep your head up high

Keep your head up to the sky
Promise you'll get by, baby girl believe me
I know you're going through hard times but you don't
have to cry
Just keep your head up high

Keep your head up to the sky
Promise you'll get by, baby girl believe me
And when you're going through hard times, you don't
have to cry
Just keep your head up high
