Yeah Yeah Yeah

[Talking:]

I Know We Been Here Before Girl
I Promise It's The Last time

[Verse 1:]

I Know We On This Shit Again
But We Done Come To Far To Stop Or Give Up
& I Know You Think It's Better To Just To Leave
& This Is Were We Disagree
But I Know I'm Shooting With My Words
Cause I Got Only Words
You Know My Actions Are Louder Then What You Heard
& I'm Tired Of This Arguing
Can I Wish For One Last Thing
That Means The World To Me

[Chorus:]

Cause I Know What We Got
Even When You Don't
We Rock Baby Til The Wheels Fall Off , Feel Me
It's Real Love & I Still Believe If I Wish On One Last
Thing
Last Call , Last Kiss , Baby Just One Last Wish
Last Wrong , Last Slip , Baby Just One Last Wish
Been Through It All , Fought Through The Pain
& Our Love Is Even Stronger, Girl We Can Do It Again
So That's All , & That's It , Baby Just One Last Wish
Last Wish

[Verse 2:]

You Trippin Right
Nawh, Girl I'm Sick And Tired Of Deja Vu
Cause Here We Are Again At The Top Of Our Lungs
See We Both Know We Love Harder Then We
Give Each Other Chance To See
& Every Time I See Tears Of Hers
Tell Me Is It Really Worth

You Crying Me Lying It's Absurd
A Better Man Is What Imma Be

So I Wish For One Last Thing
& That's You And Me

[Chorus:]

Cause I Know What We Got
Even When You Don't
We Rock Baby Til The Wheels Fall Off , Feel Me
It's Real Love & I Still Believe If I Wish On One Last
Thing
Last Call , Last Kiss , Baby Just One Last Wish
Last Wrong , Last Slip , Baby Just One Last Wish
Been Through It All , Fought Through The Pain
& Our Love Is Even Stronger, Girl We Can Do It Again
So That's All , & That's It , Baby Just One Last Wish
Last Wish

[Verse 3:]

Damn, If I Could Just Wish For One Last Thing
This Is Our Last Wish
We Been Here Before
Got Out Of Control Then We Let It Fall
It's Time That We Pick It Up & Never Have To Sacrifice
This Is Our Last wish
It's A New Set Up We Can Do It Better
Me & You Against The World Take Over Together
& That's How Real Love Should Be
So Baby

One Last Call , Last Kiss , Baby Just One Last Wish
Last Wrong , Last Slip , Baby Just One Last Wish
Been Through It All , Fought Through The Pain
& Our Love Is Even Stronger, Girl We Can Do It Again
So That's All , & That's It , Baby Just One Last Wish
Yeah
