Hit me on my phone, but I hit you back
We can go one on one, like chiropractor
And every time we hug, I grab you're a\$\$
Just like we in love, nah, nah, nah
Lean on me, 2 o'clock, sharpshooter, break heart
Throw long, â€¦kill it, kill it, bad dog
Then go hard, ask for, ain't been rude, that shit before
Girl call me for that good, good, here's m7 digits
Hit me on my phone and I'ma hit you back
We can go anywhere girl I got stacks on racks
The night is youngâ€¦
Plus Ray J on the hook

If ready leggo, I got stacks like lego
take you somewhere melo
take you out the ghetto
smoking on that fuego
if you ready leggo

if you ready let's go, talking money, need more
club colony, we pour
Girl time is money, girl time is money, got 25 to blow
Round the world we go
â€¦ I got chips baby let's dip
Good aim girl it won't miss, then bounce total like this
Girl call me for that good, good, here's m7 digits
Hit me on my phone and I'ma hit you back
We can go anywhere girl I got stacks on racks
The night is young,
Plus Ray J on the hook

If ready leggo, I got stacks like lego
take you somewhere melo
take you out the ghetto
smoking on that fuego
if you ready leggo.
