Hey DJ, let's get it started  
Now everybody scream  
Let's go

You gon' learn lil' mama and I got to teach you  
Pitbull, yeah, nice to meet you  
Baby, we can blah, blah, blah, blow canvo chit-chat  
Knowing damn well lady you gon' let me hit that

Iyiyiy lo que te bien mami te que bien ta nina calientica  
Ya tu saves no mami wey its an honest aid  
What a true lad  
Skip the linkens and give me the frinkens

Make paper and shorten them bankers  
Ti-ti-ti-time for some time for some action  
Smashing movie action

Mr. Mr. 30-30-305 the new  
To that crew yeah that's right  
We gon' do what we do when we do what we do  
Now baby lets go back to my room

Girl, I understand if you say no  
'Cause once we started who knows where we'll go  
On the floor to the spot we ain't even gotta stop  
But your hot l'mma make you dance

On the floor to the pole, baby, either way it goes  
On the pole l'mma make you dance  
On the floor to the spot we ain't even gotta stop  
But you're hot l'mma make you dance

In the middle of the night  
We be turning of the lights  
Then 1 thing leads to another  
One thing leads to another  
One thing leads to another  
One thing leads to another

One thing leads to another  
One thing leads to another

One thing leads to another

Don't look back once we blast off, let's go  
'Cause once we get there we're so out of control  
On the floor to the spot we ain't even gotta stop

But you're hot, I'mma make you dance  
In the middle of the night  
We be turning of the lights  
Then one thing leads to another

One thing leads to another  
One thing leads to another  
One thing leads to another

One thing leads to another  
One thing leads to another  
One thing leads to another

One thing leads to another  
One thing leads to another  
One thing leads to another

Baby come follow my lead  
I'm takin' off everything  
And since I see you undress  
Dress me I'll handle the rest  
We goin' in under the deck  
Your body's under attack

One thing leads to  
One thing, one thing, one thing  
One leads to  
One thing, one thing, one thing

One leads to  
One thing, one thing, one thing  
One leads to  
One thing, one thing, one thing  
Leads to another

If it ain't one thing, it's always another  
Word to abuela papi my mother  
That's why one thing always leads to another  
Mamita, I'm raw like no rubber  
Like no other now take cover

Little weapon with no cover  
I wanna be your friend and your lover  
One thing leads to another  
One thing leads to another

One thing leads to another  
One thing leads to another  
One thing leads to another
