Can I talk to you for a minute?

You know, I be thinking to myself
We had a lot of good times together
(Come on, baby, come on darlin', darlin')
We did everything together

Yeah, we would wake up early in the morning
(All I need, all I need, all I need is a chance to make it
right)
And just get in the car and just ride on out
(Just one chance)
Remember that?
(All I need, all I need, is just one wish)
Use to watch the sunrise
(One wish, one wish)

Use to watch the sunset
(All I need, all I need, all I need is a chance to make it
right)
We was everything to each other, you know?
(Just one chance)
(All I need, all I need, is just one wish)
Damn, I miss those days
(One wish, one wish)

(All I need, all I need, all I need is a chance to make it
right)
If I could, if I could just hold you in my arms, you know
what I mean?
(All I need, all I need, is just one wish, one wish)
It just feels so good
(One wish)
One little, itty, bitty wish
If I could just have one wish

Damn baby
Just don't understand where we went wrong
I gave you my heart
I gave you my soul
I gave you

As a matter of fact, I was the one who said I loved you first
It was about eight years ago, don't act like you don't know
We were sittin' at home in your mama's livin' room 'cause
We couldn't be alone
See your mama knew I was something else, she knew how I felt

Back then we were in school, and that's your favorite excuse
Growin' up I was a fool, and I can't lie I'm missing you
Listen and don't trip
I think I need a bottle with a genie in it
Here's my wish list

First one, I would create a heart changing love
Second one, I'll take yours and fill it all up
Third one, but I don't need a lot of wishes
'Cause I'll be okay if I get one

If I had one wish, we would be best friends
Love would never end, it would just begin
If I had one wish, you would be my boo
Promise to love you, trust me I'll trust you

If I had one wish, we would run away
Making love all day, have us a baby
If I had one wish, I'd make you my whole life
And you'd be my wife, make it right this time

If I had one wish
One wish, one wish, one wish
One wish, one wish, one wish
One wish, one wish, one wish
One wish, one wish, one wish

Now tell me is this the only way I can get you right back in?
If so then searchin' I'll go, then I can have you for sho'
Then you'll be loving me, holding me, kissing me
So girl don't tell me what I'm feeling is make believe

I swear if I lose a second chance with you
I wouldn't know what to do
I'd probably check myself into some kind of clinic
I couldn't be alone because without you I'm sick
Here's my wish list

First one, I would create a heart changing love

Second one, I'll take yours and fill it all the way up
Third one, but I don't need a lot of wishes
'Cause I'll be okay if I get one

If I had one wish, we would be best friends
Love would never end, it would just begin
If I had one wish, you would be my boo
Promise to love you, trust me I'll trust you

If I had one wish, we would run away
Making love all day, have us a baby
If I had one wish, I'd make you my whole life
And you'd be my wife, make it right this time
If I had one wish

I don't even know
How we ended upon this road
And even though we are grown
Girl I just want you to know

If I had one wish, we would be best friends
Love would never end, it would just begin
If I had one wish, you would be my boo
Promise to love you, trust me I'll trust you

If I had one wish, we would run away
Making love all day, have us a baby
If I had one wish, I'd make you my whole life
And you'd be my wife, make it right this time

If I had one wish, we would be best friends
Love would never end, it would just begin
If I had one wish, you would be my boo
Promise to love you, trust me I'll trust you

If I had one wish, we would run away
Making love all day, have us a baby
If I had one wish, I'd make you my whole life
And you'd be my wife, make it right this time

If I had one wish
One wish, one wish, one wish
One wish, one wish, one wish
One wish, one wish, one wish
One wish, one wish, one wish
