Ayyo, girl, this is the real meanin' thug R&B
It's right, let's go

Lately, baby, I been thinkin' somethin' crazy
We can get out of tha ghetto
If you wonderin' why bills are high
But it only seems to multiply
We can get out of tha ghetto

And what we can do and we wanna do
Is somethin' we need, completely falls through
We can get out of tha ghetto
Time's been strange, time for time to change
Aren't you sick of things bein' the same?
We can get out of tha ghetto

Gonna struggle, work hard and hustle
We gotta stay focus, trust me, I trust you
And we'll say goodbye, farewell to our troubles
Well, basically we gon' get out of tha ghetto

Last night, I vowed to you
To change my life and change yours too
We can get out of tha ghetto
And tho tha distance looks hard to go
Until we try, we will not know
We can get out of tha ghetto

And though pain and sufferin' has covered your eye
I wanna show you a brighter side
We can get out of tha ghetto
We'll be successful, we'll be free
We can do it just you, wait and see
We can get out of tha ghetto

Gonna struggle, work hard and hustle
We gotta stay focus, trust me, I trust you
And we'll say goodbye, farewell to our troubles
Well, basically we gon' get out of tha ghetto

Gonna struggle, work hard and hustle
We gotta stay focus, trust me, I trust you

And we'll say goodbye, farewell to our troubles
Well, basically we gon' get out of tha ghetto

I was inspired, show you a better day, girl
So pack up your things, we're on our way

We can get up and get out, the crib already fit out
I'm like, "What you wanna do, baby? It's all
geezy"
Smashin' with the knock out, Lady Life will be easy
Believe me 'cause it ain't no stuntin' around here

It's not a game, you mess up here, it'll be a shame
For you, honey, well, I'm offerin' to you money
And I ticket you out of the hood, is that understood?
I get you right of tha ghetto And that's on tha hood

Gonna struggle, work hard and hustle
We gotta stay focus, trust me, I trust you
And we'll say goodbye, farewell to our troubles
Well, basically we gon' get out of tha ghetto

Gonna struggle, work hard and hustle
We gotta stay focus, trust me, I trust you
And we'll say goodbye, farewell to our troubles
Well, basically we gon' get out of tha ghetto

Gon' get out of tha ghetto
We gon' get out of tha ghetto
We gon' get out of tha ghetto
We gon' get out of tha ghetto

We gon' get out of tha ghetto
We gon' get out of tha ghetto
We gon' get out of tha ghetto
We gon' get out of tha ghetto
We gon' get out of tha ghetto
