1 verse:

Probably catch me up in the club with some bad b\*\*  
I remember nights when I didn't have b\*\*  
I remember days when I didn't have riches  
While i'm in a club now champagne spillin  
I'm in a club now  
I'm a big spender  
Ice on my neck  
and diamonds on my suspenders  
I'm no beginner  
My ex girl she keep callin me trippin
