People talk like they know me
But they don't know me
They think they know everything
They don't know anything
Now listen to me
Listen to me

Let me live my life
this is me
Please let me do own thing .
I'm trying to discover who i am
But i cant when you're in my face.

Rumors follow me like a moth to a flame,
How can i fight it?Can someone help me ?
There must be a silver lining to this storm
Help me someone i think i'm losing it
I have had enough,this must stop now

When the music plays i try to lose myself ,
This is my relief but then you start to tell people who i
am.
It is driving me crazy ,why can i be myself?
This is me,why wont you leave me alone?
Please let me do my own thing,
I'm trying to discover who i am
But i cant when when you're in my face.

Chorus-Repeat

When the music plays i try to lose myself ,
This is my relief but then you start to tell people who i
am.
It is driving me crazy ,why can i be myself?
This is me,why wont you leave me alone?
Please let me do my own thing,
I'm trying to discover who i am
But i cant when when you're in my face.
