Sexy ladies, sexy ladies
Sexy ladies, sexy ladies
The way you're walkin' in those high heels
Girl you look so sexy

Sexy ladies, sexy ladies
Everywhere you go you're VIP
Girl you look so sexy
Sexy ladies, sexy ladies

It don't matter what she wears
She could make anything look name brand
She could make an almost married man
Think about changin' plans

It don't matter what she wear, my gorgeous
She could make cloudy storms look flawless
Why so gold? Make it rain in august
She outta control, press play then pause it

She ain't a rookie to the game
She could make a little change look like Vera Wang
So if you're game, pick the range of couth
Tell all the sexy ladies come hang with Truth

Sexy ladies, sexy ladies
Sexy ladies, sexy ladies
The way you're walkin' in those high heels
Girl you look so sexy

Sexy ladies, sexy ladies
Everywhere you go you're VIP
Girl you look so sexy
Sexy ladies, sexy ladies

I noticed she was sexy
'Cause she's an independent woman
She used to drive a Toyota
Now she's in the doodle drop top Phantom

She's so sexy, I swear this no lie
She got swag, got cash, she's so fly

She came in with no man, I don't know why
'Cause by the end of the night you know she guard out

So I look her in the eyes
Tell her I could have a peek and hide in the skies
Yes she might be fun, but she a freak under the skies
When it's dark she could light up the night
She's so sexy

Sexy ladies, sexy ladies
Sexy ladies, sexy ladies
The way you're walkin' in those high heels
Girl you look so sexy

Sexy ladies, sexy ladies
Everywhere you go you're VIP
Girl you look so sexy
Sexy ladies, sexy ladies

Girl you light up the night
Girl you're lookin' so right, so nice
And in the middle of the day, what more can I say?
You're sexy, you're so sexy, oh baby
