Do your dance you shake that thing

You could drive a horny nigga insane

How'd you get all that ass in the jeans

You can let it all pop out on me

Sliding down the pole making sexy faces

Niggas in the club tricking of they faces

How about taking me to V I P

Show me what she can do for all this money

I'll make you think about coming home with me

Pop up out two or three ecstasy

Take a couple shots and some Hennessy

Now strip for me

You look so sexy

You look so sexy

S E X Y sexy

Girl, you look so sexy

S E X Y Sexy
