Yo, yo this one's for you boo
(Yeah)
Ha, ha you know what's up, been drivin' around
In my car wit' the windows down just think about you
I'm trippin'

From the way I introduced myself
She knew that I was stakin' wealth
She wasn't in it for the dollars she had doe herself
I pulled up in my dirty ass Lexo
Girl I've been workin' hard so what you expect yo

She smiled and laughed and just that fast
The way she made me feel had me trippin' man
I think I felt this way before but see that girl
Wasn't feelin' me so dat don't count yo

This mommy that I'm talkin' 'bout she kind of light
brown yo
The type to make me wear my seat belt
And say baby please drive slow
Her ex man she, she had to let him know
She don't need yo stress now 'cuz she know I got dro

I think Ray J's the one you should
Fall fo' you have no idea how good I'll make ya feel
Everything will be great and I'll always keep it real
So hop up in the driver's seat and dip on these chrome
wheels

She's takin' control, control of, me
She's takin' control, control of, me
She's got me open and it's so deep
And I don't know what to do about it baby

She's takin' control, control of, me
She's takin' control, control of, me
(She got me goin' crazy)
She's got me doin' things I can't believe
And I don't know what to do about it baby

I can't fake it love 'cuz every time I open my eyes

I picture me and you wakin' up
She always teasin' me doin' that sexy stuff
Now it's goin' up and down and down and up

Sometimes she wears weaves and got a nice round
butt
She like to smoke weed and not talk to much
She let me be me and not givin' a fuck and maybe one
day
I'll get her finger froze up, will see when we get older
(Older)

But now I'm doin' it Prince style
With the mink fox on my shoulders
Heat tucked in my tux pushin' a VT?
She's always on my mind
That's why I know she's controlin' me

She likes kissin' and holdin' me
And she real cool with my Moms and Brandy
My Pops and the rest of the family
That's another reason I thought she was right for me

She's takin' control, control of, me
She's takin' control, control of, me
She's got me open and it's so deep
And I don't know what to do about it baby

She's takin' control, control of, me
She's takin' control, control of, me
(She got me goin' crazy)
She's got me doin' things I can't believe
And I don't know what to do about it baby

Ay, a yo yo, If I'm a [unverified] cold you warmin' me
And when it gets hot you the wind blowin' me
Yeah you know park in the Benz low in the seat
And the way I teach ladies you'll be a pro in a week

You can be my Mignon and I can be your Fillet
You can be my Janet and I'll be better than Rene
We can hit crustaceans and eat soufle
And you know I keep my keys when I park valet

I spark that a still got you spoiled that way, it's hard
that way
But you know it ain't nothin' hard for Ray
I do it that way and don't care, the crib you can go
there
We can get engaged and take photos
(Yeah, yeah)

Couple for Willies and [unverified] there
(Yeah)
Push the blue R, R four doors
(Yeah)
Like the artist formally known nothing compares
You gonna be my girl 'cuz I be there for years

When I'm up in the club I be thinkin' 'bout you
When I'm rollin' on dubs I be thinkin' 'bout you
I think I'm in love 'cuz it's all about you
(Baby, baby)

When I'm up in the club I be thinkin' 'bout you
When I'm rollin' on dubs I be thinkin' 'bout you
I think I'm in love 'cuz it's all about you
(Baby, baby)

It's all about you I thought you knew that
I told all my niggaz about you

She's takin' control, control of, me
She's takin' control, control of, me
She's got me open and it's so deep
And I don't know what to do about it baby

She's takin' control, control of, me
She's takin' control, control of, me
(She got me goin' crazy)
She's got me doin' things I can't believe
And I don't know what to do about it baby

She's takin' control, control of, me
She's takin' control, control of, me
She's got me open and it's so deep
And I don't know what to do about it baby

She's takin' control, control of, me
She's takin' control, control of, me
(She got me goin' crazy)
She's got me doin' things I can't believe
And I don't know what to do about it baby
