[Ray J:]

I could be alone
I could be the poorest fool, who loved nobody
It's cuz of you I know
I can be strong
I'll get along, get along

[Brandy:]

You're the one I care about
When things are fallin'
What would I do without
I don't know..

[Chorus:]

Thank you for the good times
Thank you for the ups and downs with you
Glad it's you that's on my side
Any way it goes I thank you
[Ray J:]

Whenever you go (Oh yeah)
Keep trust in your heart
I'm right here with you baby
Just happy to know
You'll be around
You'll be around

[Brandy:]

Heart and soul I dedicate
Cuz I can't express what you mean to me
Together we make--
You make it alright
I'm the only one who can be there for you
No matter what is to come
You be there for me--
[Chorus (2 times)]

[Brandy:]

You're the one I care about
When things are fallin'
What would I do without
I don't know..
Heart and soul I dedicate
Cuz I can't express what you mean to me
Together we make-
You make it alright
I'm the only one who can be there for you
No matter what is to come
You be there for me-
