Ray-J:

I Could be alone
I could be the poorest fool who loved nobody
It's cause you I know
I can be strong
I'll get along, get along

Brandy:

So the one I care about
When things are falling
What would I do with out
I don't know But I thank you

Thank you for the good times
Thank you for the ups and downs with you
Glad it's you that's on my side
Anyway, it goes, I thank you

Ray-J:

Where ever you go
Oh yeah, it's just in your heart I might be with you baby
Just happy to know
You'll be aroung, you'll be around me

Brandy:

Heart and soul I dedicate
Cause what you mean to me
Together we can make, make it alright
Only I'm the one who can be there for you
No matter what's to come, you've been there for me

Thank you for the good times
Thank you for the ups and downs with you
Glad it's you that's on my side
Anyway, it goes, I thank you

Thank you for the good times
Thank you for the ups and downs with you
Glad it's you that's on my side
Anyway, it goes, I thank you

Brandy:

The one I care about
When things are falling
What would I do without, I don't know
Heart and soul I dedicate
Cause what you mean to me
Together we can make, make it alright
Said only I'm the one
Who can be there for you
No matter what's to come
You been there for me

Thank you for the good times
Thank you for the ups and downs with you
Glad it's you that's on my side
Anyway, it goes, I thank you

Thank you for the ups and downs with you
Glad it's you that's on my side
Anyway, it goes, I thank you
