If I told you why, why, why
I'd probably lie, lie, lie
Can't stand to see you cry, cry, cry
All I know is I'll be hurtin' you

If I told you the truth
That's why I lie, lie, lie
You'd got me thinkin' my, my, my
And it's killin' me inside, oh I
I don't want you you sayin' by, by, by

Don't understand
Can't explain what it is
That's causin' me to
Feel the need to explore any more [unverified] I have
you

But when I do there's no truth
Baby all I do is lie
The only truth is that lie
'Cause I need you in my life

If I told you why, why, why
I'd probably lie, lie, lie
Can't stand to see you cry, cry, cry
All I know is I'll be hurtin' you

If I told you the truth
That's why I lie, lie, lie
You'd got me thinkin' my, my, my
And it's killin' me inside, oh I
I don't want you you sayin' by, by, by

I don't know where he wants
You to know where I'm going to oh oh
So I sneak out the best way I can
For a ron de vou, whoa

I've lighten up to know
Who I can and cannot fool
So I cross my heart, swear it's true
That I'm lovin' you, whoa

I'm doin' what I gotta do to keep you
There's one thing, I swear it's true
I don't know what I'd do if I was eva to lose you

Please baby believe me
And tell me that you'd neva eva leave me
I just don't want to you hear you say good bye

If I told you why, why, why
I'd probably lie, lie, lie
Can't stand to see you cry, cry, cry
All I know is I'll be hurtin' you

If I told you the truth
That's why I lie, lie, lie
You'd got me thinkin' my, my, my
And it's killin' me inside, oh I
I don't want you you sayin' by, by, by
