Kinda know what you want
You constantly seek me
(Yeah)
Tounging up and down on you
(Yeah yeah yeah)
It's time to pop your knees
It's hot up in this peace
I'm thirsty as can be
Your body's got that juice
(Ye ye yeah, yeah, yeah)
You need to come and wet me baby

Everyday with me
Come and play with me
You hold your morals so steadily
I can't see
Why your teasing me
When you and I both know you're ready

Slide your hand right here
Feels so clear
My pants they getting so heavy
Just helping you
Learning you
Baby don't you worry

Kinda know what you want
You constantly seek me
(Oh ooh)
Tounging up and down on you
(Yeah yeah yeah)
It's time to pop your knees
It's hot up in this peace
I'm thirsty as can be
Your body's got that juice
You need to come an wet me

Kinda know what you want
(Kinda know what you want)
You constantly seek me
Tounging up and down on you

Baby don't you wanna lay with me, crave me

Express how much my mouth is dry
Baby won't you come impatiently wet me
