"What I Need"

Yeah
I been tryna get away
But its just something about you that's pullin' me back
in
Ya know?

Girl, you're what I need
And I can't even front I'm wildin' out
Plannin' on you can calm me down
You make it alright when you're around
Girl, you're what I need

I know you think I'm just saying
All these things 'cause you're here now
And I know what you're thinkin'
If this is true
Then why didn't I do
All these things when I had you

It's because I knew
You had quite enough
But I feel brand new
And I'm fessin' up

Girl, you're what I need
And I can't even front I'm wildin' out
Plannin' on you can calm me down
You make it alright when you're around

Girl, you're what I need
And you know that you're all I think about
Plannin' on we can work it out
I'm tired of tha games, stop playin' around
Girl, you're what I need

The first time I got caught up
I swear it wasn't even in my plans
I got caught up in some how
And I don't know what I was thinkin'
But that's back in 02, in 05 I'm brand new
In 06 won't be seen without you

It's because I knew
You had quite enough
But I feel brand new
And I'm fessin' up

Girl, you're what I need
And I can't even front I'm wildin' out
Plannin' on you can calm me down
You make it alright when you're around

Girl, you're what I need
And you know that you're all I think about
Plannin' on we can work it out
I'm tired of tha games, stop playin' around

Let me take you ova this bridge
So don't you tell me, that were not supposed to be
And that I'm not ready to give you what you need
So don't you tell me, there's no way that you could be
Involved again with me 'cause you're all that I need

Girl, you're what I need
And I can't even front I'm wildin' out
Plannin' on you can calm me down
You make it alright when you're around

Girl, you're what I need
And you know that you're all I think about
Plannin' on we can work it out
I'm tired of tha games, stop playin' around

Girl, you're what I need
And I can't even front I'm wildin' out
Plannin' on you can calm me down
You make it alright when you're around

Girl, you're what I need
And you know that you're all I think about
Plannin' on we can work it out
I'm tired of tha games, stop playin' around
Girl, you're what I need

Girl, you're what I need
Girl, you're what I need
